GROWTH, DEVELOPMENT AND AGING

VOLUME 59, NUMBERS 1 & 2 Spring/Summer 1995

TABLE OF CONTENTS

Effect of Somatotropin on Rate and Composition of Gain and Feed Intake in Young, Pituitary Intact Female Rats 3
T. J. ROBERTS and M. J. AZAIN

Food Restriction and Lysine Supplementation Alter Growth, RNA, DNA, and Protein Contents of Skeletal Muscle 15
MOHAMMED SIKA and DONALD K. LAYMAN

Cellular Basis for Gender-Dependent Differences in Growth Hormone Secretion in Young Chickens: Analysis Using Reverse Hemolytic Plaque Assays 25
BENJAMIN MORPURGO and TOM E. PORTER

Genotype and Sexual Influences on Growth and Muscle Development of Chicken Embryos 31
R. D. MITCHELL and W. H. BURKE

Small Angle Dislocations of the Newt Limb Axes Can Test the Validity of Several Regeneration Models 45
D. VENIERATOS, Y. ALMIRANTIS and S. PAPAGEORGIOU

Age-Related Changes in D-Aspartic Acid of Rat Teeth 55
S. OHTANI, Y. MATSUSHIMA, H. OHHIRA and A. WATANABE

Decreased Birth Weight and Attainment of Postnatal Catch-up Growth in Offspring of Rats Exposed to Cigarette Smoke during Gestation 63
JOSEPH LEICHTER

GROWTH, DEVELOPMENT AND AGING

VOLUME 59, NUMBERS 3 Fall 1995

TABLE OF CONTENTS

Allele Capture by Selection for Flanking Markers: A New Method for Analyzing Multigenic Traits *(Brief Editorial)* 73
DAVID E. HARRISON, THOMAS H. RODERICK and KENNETH PAIGEN

S. Meryl Rose *(Obituary)* 77
ELIZABETH D. HAY and KENYON S. TWEEDELL

Lines of Mice Selected for Reproductive Longevity 79
J. NAGAI, C. Y. LIN and M. P. SABOUR

Ontogeny of 17B-Estradiol (E_2)-and Estrogen Receptor (ER)-Immunostained Cells in the Hypothalamus and Adenohyophyseal Pars Distalis of the Chick Embryo 93
JAMES E. WOODS, LORI M. GLEASON OTTEN and ROBERT C. THOMMES

Peripheral Nerve and Muscle Function in the Aging Fischer 344/Brown-Norway Rat 107
MARK A. WINEINGER, ROBERT B. SHARMAN, THOMAS R. STEVENSON, RICHARD C. CARLSEN and ROGER B. McDONALD

Effects of Bovine Growth Hormone Analogs on Mouse Skeletal Muscle Structure 121
ROBERT S. HIKIDA, JOANNE R. KNAPP, WEN Y. CHEN, JILL A. GOZDANOVIC and JOHN J. KOPCHICK

Comparative Embryonic Development in Chickens with Different Patterns of Postnatal Growth 129
N. J. CLUM, D. K. McCLEARN and G. F. BARBATO

Thymic Weight Changes and Endocrine Relationships During Maturation in Cattle: Effects of Age, Sex, and Castration 139
T. WISE and J. KLINDT

Posthatching Growth and Pectoralis Muscle Development in Broiler Strain Chickens, Bantam Chickens and the Reciprocal Crosses Between Them 149
R. D. MITCHELL and W. H. BURKE

GROWTH, DEVELOPMENT AND AGING

VOLUME 59, NUMBERS 4 Winter 1995

TABLE OF CONTENTS

Postnatal Growth and Development in Semi-Captive Muskrats, *Ondatra zibethicus* 169
JOHN A. VIRGL and FRANÇOIS MESSIER

Organ-Specific Effects and Interactions of Acute Insulin-like Growth Factor I (IGF-I) and Growth Hormone (GH) 181
MONICA PASCUAL, JESUS LARRALDE and J. ALFREDO MARTINEZ

Influence of Age and Fetal Hypophysectomy on Porcine Preadipocytes: Insulin-like Growth Factor-I (IGF-I) Response, Receptor Binding and IGF Binding Proteins Secretion 193
NEAL X. CHEN, G. J. HAUSMAN and J. T. WRIGHT

Bone Growth in Ducks through Mathematical Models with Special Reference to the Janoschek Growth Curve 207
UWE GILLE and FRANZ-VIKTOR SALOMON

Bibliography: Growth and Embryonic Development and Aging 215
NATIONAL LIBRARY OF MEDICINE MEDLINE SEARCH
